JOHN CARR

New Braunfels, TX | 713-899-1776 | john@legaisee.com | portfolio

SUMMARY

Lifelong guitarist and pianist (playing since the mid-1980s) and music major at McNeese State University, with 33 years of broadcast and multimedia production. Skilled in multi-track music production, live video and streaming, and turning live performances into finished music videos. Experienced working regularly with youth and children through Music Doing Good.

MUSIC & YOUTH EXPERIENCE

Music Doing Good — Video Producer / Audio Engineer / Technical Coordinator *10/2011-09/2016*

- Worked regularly with youth and children in music-based programs. Produced multi-track music recordings and paired them with video for the organization's projects.
- Produced and streamed live events, capturing performances for broadcast and online audiences.
- Created band music videos from live gigs, from multi-camera capture through edit and final delivery.

Musician — Guitar & Piano *Mid-1980s – present*

- Lifelong performer and songwriter on guitar and piano; studied music at McNeese State University.
- Performed in many bands over the years as well as with professional musicians at Rock n Roll Fantasy Camp two different years

PRODUCTION EXPERIENCE

Carr Multimedia — Owner / Producer *11/2000 - 04/2025*

- 33-year multimedia production practice: video, audio, live streaming, and aerial cinematography.
- FAA Part 107 certified drone operator.
- Portfolio includes music-focused productions with professional musicians, including Rock and Roll Fantasy Camp.

Broadcast & Institutional Production *1992 – 2022*

- Broadcast television: KPLC (NBC), KVHP (FOX 29), and WLFT. Worked as a technical director; holds an FCC license.
- Institutional and corporate production in Houston, including Houston Methodist Hospital.
