PROFESSIONAL SUMMARY

Award-winning Creative Director with more than 30 years of experience leading concept-to-delivery creative production across broadcast, corporate, nonprofit, and digital brand campaigns. Proven track record directing cross-functional creative teams, shaping creative strategy, and mentoring junior and mid-level talent to elevate the quality and impact of creative output.

Skilled at building compelling visual narratives across video, motion graphics, print, and digital platforms, translating complex concepts into clear, audience-driven storytelling. Experienced managing client relationships, presenting creative concepts, and identifying new business opportunities while maintaining high creative standards and operational efficiency. Adept with Adobe Creative Cloud, DaVinci Resolve, and emerging production and design technologies, with a collaborative, entrepreneurial approach to problem-solving.

PROFESSIONAL EXPERIENCE

Founder / Creative Director / Content Strategist

Carr Multimedia — Houston, TX
November 2000 – Present

- Lead end-to-end creative production for brand and marketing campaigns, including concept development, scripting, storyboarding, filming, editing, and delivery across video, social media, and digital platforms.
- Direct more than 200 multimedia and branded campaigns, increasing client engagement by an average of 35% through strong creative concepting and audience-focused storytelling.
- Build and lead freelance creative teams for larger productions, setting pricing strategy, creative direction, and client-facing proposals.
- Develop content strategy plans that boost client engagement by up to 65% within 90 days, translating creative vision into measurable brand results.
- Streamline creative workflows, reducing turnaround time by 25% while maintaining high-quality output and consistent, on-brand delivery.
- Mentor clients and junior collaborators on creative tools and storytelling techniques, translating complex creative concepts into accessible guidance.

Production Manager / Content Creator / Content Strategist

DFS Marketing, Inc. — Conroe, TX
December 2018 – February 2020

- Managed, trained, and mentored a creative team spanning video production, social media, search engine optimization, and website departments, nurturing junior creative talent.
- Produced, shot, and edited brand, promotional, and client video content, ensuring consistent creative quality and brand voice across platforms.
- Directed live-streamed sales events and produced supporting media and creative assets that generated six-figure revenue.
- Oversaw creative and social media content calendars, driving 30% growth in engagement and 40% follower growth through strong storytelling and strategy.
- Served as creative lead across cross-functional teams, aligning video, social, and brand messaging for consistency and impact.

Production Manager / Director / Technical Director

WLFT-TV — Baker, LA
January 2022 – August 2022

- Directed live broadcasts and in-house productions, leading creative crews of more than 10 team members while achieving zero downtime across more than 50 live events.
- Designed original broadcast graphics, virtual sets, and show packages that elevated production value and increased viewer engagement and retention.
- Introduced new creative visual concepts and virtual set designs, reducing turnaround time for new shows by 30%.
- Elevated overall production quality while training, mentoring, and leading a cross-functional creative crew.

Head Director / Technical Director / Producer

KVHP-TV FOX 29 — Lake Charles, LA
November 1998 – July 2006

- Produced and directed in-house creative work, including promotions, news graphics, specialty shows, and branded campaigns.
- Directed more than 2,000 live broadcasts with zero FCC compliance issues while maintaining high creative and technical standards.
- Produced the Addy Award-winning “Sunny That Morning Show” self-promotion campaign, recognized for creative excellence.
- Supervised, trained, and mentored a 10-person creative and operations crew, improving efficiency and reducing turnover.
- Reviewed completed creative work to verify consistency, quality, and brand alignment prior to broadcast.

Video Producer / Audio Engineer / Technical Coordinator

Capital Technologies, Inc. — Houston, TX
October 2011 – September 2016

- Produced creative multimedia content for museum and nonprofit clients, driving audience growth of 15%–25% per campaign.
- Directed field production, interviews, and event coverage, shaping visual storytelling for archival and promotional use.
- Collaborated with producers and stakeholders to determine creative direction and desired outcomes for each production.
